AGREEMENT FOR COLLABORATION
by and between
THE UNIVERSITÉ DE MONTRÉAL
and
CAPITAL MEDICAL UNIVERSITY

This agreement is made and entered into by and between the Capital Medical University (CMU), a municipal university for higher medical education, located in Beijing, P.R. China, and The Université de Montréal, an institution for higher education, located in Montréal, Canada. The parties hereto agree as follows:

Purpose:
1) Recognizing the importance of mutual collaboration and the contributions to society made by institutions of higher education, both parties share a desire to develop mutually strengthening and enriching international educational and research experiences for both faculty and students.

2) The primary purpose of this agreement is to provide a general basis within which specific cooperative activities of an academic and cultural nature may be implemented involving faculty and/or students from CMU and MU.

3) Faculty and researchers in various disciplines will be encouraged to develop contacts and propose collaborative projects, as well as exchange materials, information and publications if jointly agreed. Each project proposal will be considered on its merits and on availability of funds. The two institutions will seek internal and external sources for support of programs and exchanges, which may be developed as a result of this agreement.

4) As specific projects in education or research are developed, each will require a written Memorandum of Understanding (or a Contract) which will forth the terms and conditions of the project(s). These Memoranda or Contracts will be approved and signed by appropriate administrators at each institution.

General Provisions:
1. All research and other collaborative activities conducted pursuant to this agreement shall be conducted in accordance with the laws and regulations appropriate to each institution. In the case of CMU, these are the laws of the P. R. China, and the rules and regulations of Beijing municipal government and the Capital Medical University. In the case of MU, these are the laws of Montréal, Canada.
2. This agreement shall take effect when executed by both parties and shall terminate at the end of five years. The agreement shall be automatically renewed for additional five-year periods unless either party provides the other with written notice that it wishes to terminate. Notice of termination by either party must be given at least 90 days in advance. This agreement may be modified by written agreement of both parties at any time. Nothing within this agreement shall create any financial obligation or cause any hardship to either party.

3. At CMU, modification to this agreement shall be initiated through the Office of International Cooperation, and at MU, through the International Office.

IN WITNESS WHEREOF the parties hereto have executed two copies of this instrument, each of which shall be considered an original.
