The University of Cape Town, South Africa, the Université de Ouagadougou, Burkina Faso and the Université de Montréal, Canada, wishing to develop academic exchange and cooperation in education and research between the three institutions, have agreed to the following:

1. Based on the principles of mutual benefit and respect for each other’s independence, the three institutions will foster:
   a) student and academic staff exchanges;
   b) joint research activities;
   c) exchange of academic material.

2. In order to carry out the above-mentioned activities, a detailed plan may be agreed to upon consultation between the three universities.

3. The final approval of any project will be dependent upon the availability of guaranteed support funds.
4. This agreement shall be effective on and after the date of its signing by the director/rector of the three institutions and remain in force until either party wishes to terminate it, with one year written notice.

5. This agreement may be modified at any time after due consultation between the three institutions.
