ADDENDUM
TO THE AGREEMENT OF PARTNERSHIP ON ACADEMIC COOPERATION BETWEEN
UNIVERSITÉ DE MONTRÉAL
AND
TECHNISCHE UNIVERSITÄT MÜNCHEN

1. Based on the Agreement of Partnership signed on 19.01.2009 between Université de Montréal and the Technische Universität München (TUM), Faculté de l’aménagement de Université de Montréal and the Faculty of Architecture as well as the Academic Faculty of Landscape Architecture and Landscape Planning TUM, in furtherance of their mutual interests in teaching and research, and as a contribution to increased international co-operation between them, hereby agree to implement, within the framework of the regulations applying in each of the institutions, the following:

(i) Hereby the Faculté de l’aménagement de Université de Montréal and the Faculty of Architecture / Academic Faculty of Landscape Architecture and Landscape Planning TUM mutually agree to accept 4 students per academic year on reciprocal basis (3 in Architecture and 1 in Landscape Architecture and Landscape Planning).

(ii) The exchange will have a duration of up to 1 academic year. The academic year at Université de Montréal lasts from September to July and at TUM from 1st October until 30th September.

(iii) The exchange students will remain enrolled at their home institution or will be granted a sabbatical term. They will also be enrolled at the host institution as visiting student.

(iv) Students of the Faculty of Architecture as well as the Academic Faculty of Landscape Architecture and Landscape Planning TUM will be required to enrol in a minimum of 12 credits (24 ECTS) per semester, or 24 credits (48 ECTS) per academic year. Students from Faculté de l’aménagement de Université de Montréal will be able to complete and participate in a study programme as agreed between Faculté de l’aménagement de Université de Montréal and the respective International Relations Officers of the Faculty of Architecture / Academic Faculty of Landscape Architecture and Landscape Planning TUM.

(v) Students will be selected by the home university which will also be responsible for testing the student’s foreign language skills. Students will be accepted upon recommendation of the Faculté de l’aménagement de Université de Montréal and the Faculty of Architecture / Academic Faculty of Landscape Architecture and Landscape Planning TUM respectively. The final selection of incoming students at the Université de Montréal is made by the units (The School of Architecture and the School of Landscape Architecture).

(vi) No study fees will be charged by the receiving university. The exchange students will pay tuition and other fees to the home institution. They will not be required to pay any tuition and other admission fees to the host institution.

(vii) Travel costs, living expenses and the costs of medical insurance will be borne by the student.

(ix) The institutions acknowledge that all the admission of students and visits of staff will be subject to compliance with entry and visa regulations of Canada and Germany, and the
institutions’ requirements in respect of student admissions.

(x) The universities cannot guarantee the provision of suitable accommodation for the student but the receiving university will assist the students in their search for accommodation.

2. In addition and subject to availability of resources, the Faculté de l’aménagement of Université de Montréal and the Faculty of Architecture / Academic Faculty of Landscape Architecture and Landscape Planning TUM agree to exchange academic staff and implement joint research activities. Partners also agree to participate in seminars, events and academic meetings as well as exchange publications, academic materials and other information.

3. Both parties shall designate a liaison office for this Agreement. For the Faculté de l’aménagement of Université de Montréal the office shall be the Office of International Relations. For the Technische Universität München, this Office shall be the International Relations Office of the Faculty of Architecture / Academic Faculty of Landscape Architecture and Landscape Planning TUM.

4. This Agreement shall apply to the educational and research organisations attached to each party.

5. This Agreement shall become effective for a period of five (5) years starting from 1.04.2011, on the understanding that subject to review and mutual agreement it may be renewed for another term of five years upon each expiry.
